

Soviet Russia	Nazi Germany
<p data-bbox="191 298 750 856">Basic Principles: Marxism-Leninism; the working class as the revolutionary subject; support dictatorship of the proletariat.</p>	<p data-bbox="824 298 1425 1024">Basic Principles: Authoritarian, action- oriented, brutal type of government; the leader is identified with the state. It is the obligation of every citizen to serve the state.</p>

Political:  
Nationalist,  
believe that  
parliamentary  
democracy only  
helps the ruling class,  
hence object to a  
democratic type of  
government as well.

Political:  
Nationalist, militarist,  
racist  
consider communists  
their main enemy,  
and accuse Jews of  
undermining entire  
nations  
They believe  
democracy is weak  
and corrupt,

Social:  
Supported by  
workers (USSR) and  
peasants (China),

Economic:  
Collective ownership  
centralized state  
planning.

Social:  
Supported by  
industrialists, the  
military and,  
partially, the  
bourgeoisie  
(different from  
communism).

Economic:  
Private property  
(different from  
communism),  
controlled by state  
corporations or the  
state itself.

SOCIALIST  
ECONOMY, previous  
owners  
dispropriated, hence  
a revolution;  
communists will take  
the factories away  
from private owners.

Cultural:  
Censorship,  
indoctrination,  
propaganda, secret  
police, denunciation.

CAPITALISTIC  
ECONOMY, yet state-  
controlled, planned  
economy, hence:  
Leave private  
property untouched,  
the factory owners  
will keep their  
factories.

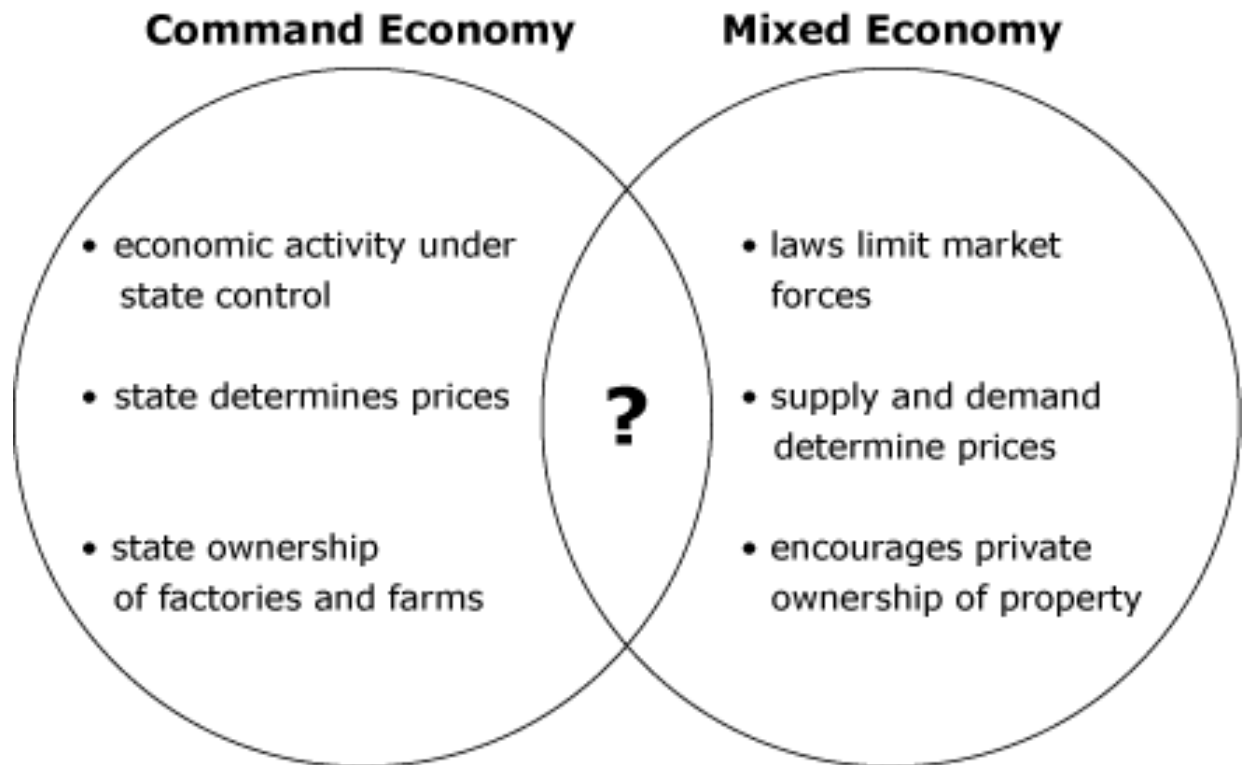

Cultural:  
Censorship,  
indoctrination,  
propaganda, secret  
police, denunciation.

Points of critique:  
Socialist economy  
nothing but a state-  
run capitalism;  
ongoing human  
rights violations.  
Remember:  
Communists are  
enemies of  
the state

Nazi Germany:  
purification of the  
race and the  
Holocaust

Remember: Fascists  
are enemies of a  
democratic type of  
government, yet very  
much supportive of a  
strong, powerful  
state.

The Venn diagram below compares command and mixed economies.

Which is associated with **both** a command economy and a mixed economy?

- A) free trade
- B) personal investment
- C) entrepreneurial spirit
- D) X government regulations
